2026 Women's Series Qualifier (WSq)

A. WS Qualifier ("WSq")

A FIBA 3x3 endorsed event selected by FIBA to serve as qualifier to a WS Stop. A WS Qualifier can be a stand-alone or part of a tour; whereas in the latter case only the final thereof shall be considered a WS Qualifier.

A WSq shall qualify (in principle) to the qualification draw of a WS stop.

Applications to be exclusively done via https://hosting-roadtowt.fiba3x3.com/ .

B. Number of WSq per territory

Until 1 April, a territory can request to hold a maximum of WSq events equal to the number of confirmed WS Stops in the territory minus 1. However, each territory requesting to hold a WSq will be awarded at least 1 WSq insofar possible subject to the total number of confirmed WS Stops.

- Example 1: if a territory has 4 WS confirmed by 1 April, then it can be awarded up to 3 WSq.
- Example 2: if a territory has 0 WS confirmed by 1 April, then it can be awarded up to 1 WSq.

After 1 April and once the 2nd Pre-Allocation has been executed, the awarding of additional WSq will be in FIBA's sole discretion.

C. Deadlines and constraints

1. Not more than a total of WSq equal to the total number of WS stops in the Season
2. WSq to finish 6 Sundays before the WS to which it is allocated
3. WSq results to be uploaded and both finalists to be identified and contact details to be shared (by default, except if regulated or communicated by FIBA otherwise) with FIBA within 24 hours of event finish

D. Summary of conditions

1. WSq fee of CHF 8'000
2. Use of official ball is mandatory
3. FIBA to send 2 referees (including one as crew chief) full-board accommodation covered by WSq promoter
4. Any other conditions of WS Handbook and application contract
5. Breach of conditions may entitle FIBA to annul WSq status and annul its slot

END.
