1.2. The FIBA Referee License for Basketball shall neither be a criterion for inclusion nor for exclusion of a FIBA 3x3 Referee.

1.3. The FIBA 3x3 Referee system shall be supervised and executed by the FIBA 3x3 Department. It shall include the education, licensing and nomination process of the FIBA 3x3 Referees, Referee Instructors and Referee Evaluators.

1.4. All FIBA 3x3 Referee related communication shall be addressed to 3x3refs@fiba.basketball.

1.5. The organisers/hosts of FIBA 3x3 Competitions and the NFs shall communicate with FIBA 3x3 Referees, Referee Instructors and Referee Evaluators only through FIBA's 3x3 Department. 11. Travel Arrangements

11.1. The travel arrangements for official FIBA 3x3 Referee nominations are coordinated by 3x3travel@fiba.basketball unless communicated differently in the nomination letter.

11.2. Upon confirming a nomination, FIBA 3x3 Referees shall immediately contact 3x3travel@fiba.basketball which will provide the available travel options. Preferences for any particular airlines, routes or flight tickets will not be considered; rather will FIBA arrange for reasonable routes within a reasonable scope of expenses. Any re-bookings that may be necessary before or during the travels shall be managed by 3x3travel@fiba.basketball. If the FIBA 3x3 Referee needs to apply for visa for the given nomination, they shall immediately contact 3x3travel@fiba.basketball for the arrangement of an invitation letter.

11.3. The use of a private car shall be requested to 3x3travel@fiba.basketball and shall only be granted if the costs do not exceed the costs of the economy class flight ticket or 2nd class train ticket. The use of a private car shall be refunded with USD 0,35 per kilometre.

11.4. Any travel expenses shall be considered paid and settled within the fee for the nomination. Additional reimbursement may be claimed if visa costs and airport transfer combined exceed USD 200. Car mileage for that purpose will be considered (at a rate of 0.35 USD/km) only if no other mean of transport is available nor reasonable. In case of justified and pre-approved excess costs, FIBA will reimburse the excess to USD 200.

11.5. For competitions of up to 2 competition days, FIBA 3x3 Referees are expected to travel with carry-on luggage only. Check-in luggage shall neither be booked nor will it be refunded by FIBA. In any case, FIBA 3x3 Referee Uniforms (including footwear) shall be carried in the carry-on luggage to ensure that the referee has their gear with them even if check-in luggage is lost.

11.6. The nominated FIBA 3x3 Referees are expected to arrive to the city of the competition no later than at 16:00 of the day before the start of the competition in order to allow for a proper briefing of the competition. Later arrivals shall only be granted in exceptional cases and subject to the prior approval of the FIBA's 3x3 Department.

11.7. While FIBA 3x3 Referees shall maintain their own cumulative mandatory insurance against illness and accidents (health and general liability insurance), FIBA additionally provides an insurance for the periods when a FIBA 3x3 Referee is on a FIBA mission. This additional coverage by a FIBA-contracted insurance shall always be subsidiary and complementary to the FIBA 3x3 Referee´s public or private insurance benefits; i.e. the FIBA insurance will be limited to only what is not covered by the FIBA 3x3 Referee´s public or private insurance (difference or additional services). If an insurance case arises, the FIBA 3x3 Referee shall immediately contact 3x3refs@fiba.basketball.
